- ler of all___ and then sub - ject to e - vil? How does it___ feel, _

___ to be strung___ up for all___ to see. ___ (to be strung)_

(Fine) E Esus2 E Esus2 D.C.

3. Will you

2. Your eyes watch over the whole of the earth,
Yet I feel your gaze on me.
Your storms of love sweep cities away,
Yet my soul can sense your Spirit's breeze.
3. Will you teach me how I can follow this way,
How a love so large could fill me.
I get my life to give it away:
To live is Christ, but to die is gain.
